gettrucks@earthlink.net

Get Trucks is a company that ENJOYS supplying old Ford truck parts. We inventory all makes of Fords from F600 to F100; unibodies, ranchos, and bronco's 2 WD and 4 WD from 1938 to 1966. Please note inventory comes and goes. On occasions we have cars.

We believe we might have the part you need from hoods to third members to wheels to horn buttons and a LARGE collection of old motors, transmission's (buildable cores), sheet metal, glass, etc. So, before you take your project to the shredder to become Chinese metal rebar see if we have the part you need.

Remember if your project is not worth repairing to you, give us a call, we may be interested in buying it for parts. WE DO NOT CRUSH ANY TRUCKS!!!
