

2013 Explorer SPORT Preview: Detailed Exterior

With well-defined exterior treatments, the newest member of the family is distinctly Explorer — and uniquely SPORT:

- Exclusive SPORT-design painted grille
- "EXPLORER" lettering along the leading edge of the hood
- Projector beam halogen headlamps with blackout treatment
- Black lower bodyside cladding
- Black roof side rails with black end caps
- Black liftgate trim
- LED (light-emitting diode) taillamps with blackout treatment
- 20" aluminum wheels with dark painted pockets with the SPORT badging on wheel
- P255/50R20 BSW all-season tires
